1. Resolution to disassociate from Alger County Election Commission.

Tom Schierkolk presented the motion to approve the resolution. Motion failed for lack of a second. Whereas we have received notices and affidavits regarding the proper administration of elections and in pursuance of the the Michigan Constitution;

And whereas only official acts provide immunity from prosecution:

Be it resolved that Rock River Township run their elections in a true constitutional form, by the people, without influence from the Alger County Election Commission, the Michigan Election Commission and the Federal Election Commission.

Be it further resolved that for all future elections Rock River Township assembles it own slate of election inspectors unaffiliated from party influence and election interference and declaring themselves to be simply one of “we the people.”
